Tasting notes

This crémant rosé, made with 100% Pinot Noir, boasts exquisitely beaded bubbles and a mousse which is as light as it is flavoursome, in perfect keeping with its intense pink robe. The nose is packed with enticing strawberry and raspberry notes. The same red berry flavours dominate the palate, rendered irresistible by the well-dosed sweetness.

Food-wine pairings

A classic apéritif, the Crémant d'Alsace Rosé is also perfect for red fruit desserts like raspberry millefeuille, red berry coulis or strawberry macarons.
