The art of turning grapes into pure gold!

### GETTING TO KNOW THE PINOT GRIS SÉLECTION DE GRAINS NOBLES

2014

Between 8° and 10°C

Pinot gris

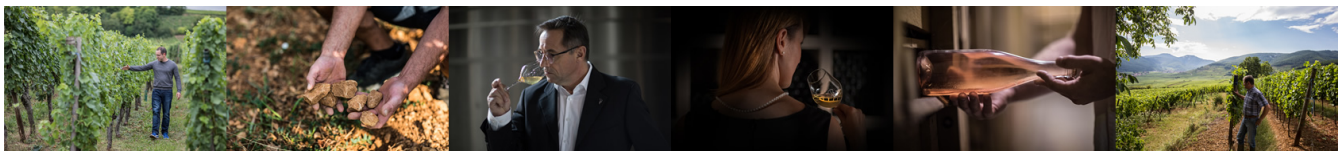

Rare and prestigious, "Sélections de Grains Nobles" are wines made with grapes affected by noble rot, requiring multiple waves of painstaking harvesting. The sheer concentration of flavour means that the specific characteristics of the grape variety take a back seat to the wine's exceptional power, complexity and length of flavour. There is rarely more than one vintage per decade good enough to produce these legendary wines.

#### Tasting notes

Intense golden yellow colour. Distinctive, fruity, overripe nose packed with candied fig and quince aromas. Sumptuous and full-bodied on the palate, with great length of flavour and impeccable finesse.

#### Food-wine pairings

Perfect with dessert, foie gras or simply to round off a meal with a moment of sweet indulgence.
