### GETTING TO KNOW THE CRÉMANT ICE BY BESTHEIM DEMI-SEC

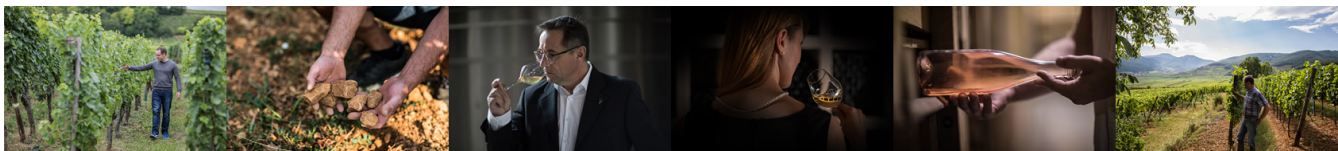

Between 8° and 10°C

Muscat

ICE by Bestheim is a pleasure to behold, with its fine, silky bubbles and flashes of white gold. The nose is dominated by ripe summer fruit aromas, led by quince and nectarine. A delicate splash of raspberry provides the finishing touch to this aromatic bouquet. ICE is remarkably full-bodied, with a finely-honed acidity which neatly offsets the subtle sweetness. The same summer fruit flavours hold sway on the palate, accented with a gentle hint of redcurrant.
