Riesling Grand Cru Mambourg

A bouquet of boundless finesse

GETTING TO KNOW THE RIESLING GRAND CRU MAMBOURG

2015

Between 8° and 10°C

Riesling

Set on a south-facing hillside, Mambourg looks out over Sigolsheim. This is one of the earliest-ripening hillsides in Alsace, with optimal sun exposure. The magnesium-rich limestone soils include a scattering of limestone deposits.

Tasting notes:

Riesling Grand Cru Mambourg fills the glass with its beautiful golden robe. Distinguished and delicately fruity, with a wonderfully refined bouquet of floral notes (acacia in particular). Great aromatic intensity, fruity, fresh and accented with zesty citrus notes.

Food-wine pairings:

A wonderful companion for refined fish dishes, shellfish and Japanese cuisine.
